Echo

LINKING CASÉTA WIRELESS DEVICES WITH ALEXA*

Step 1:

Install your devices, plug in the Smart Bridge, and connect it to your Wi-Fi router

Step 2:

Download the free Lutron App and follow the instructions

Step 3:

Plug in your Alexa-enabled device and connect it to your Wi-Fi router

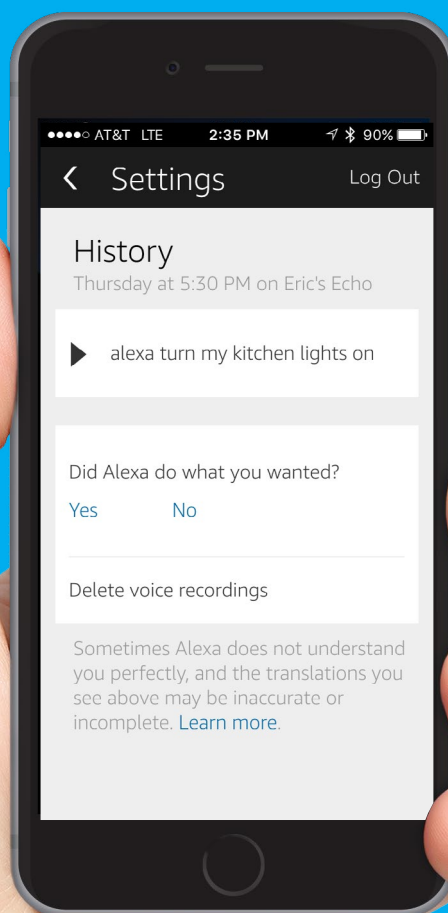

Step 4:

Link your Caséta Wireless devices to your Alexa-enabled device using the Alexa app

And that's it!

What you need:

- Lutron Smart Bridge or Smart Bridge PRO
- Lutron App version 3.0 or later
- Alexa-enabled device
- Amazon Alexa app

*A working internet connection, Lutron Smart Bridge or Smart Bridge PRO, Lutron App 3.0 or newer, and Amazon Alexa app are required
