The Magic of CinemaScope

It was the magic brought to the viewing public by Hollywood; and now it's the increasingly popular superwide screen feature in the Home Theater. Vision-X DYNA-CURVE by Vutec brings you CinemaScope movie viewing, featuring an advanced multi-aspect Masking system for use with all CinemaScope 2.35:1 projectors with Anamorphic Lens. Immerse yourself in CinemaScope at home, the way you immerse yourself at the movies.

Step into a dynamic theater experience with Vision-X DYNA-CURVE by Vutec.
